This is a blurry photograph of an interior room. On the left, there is a window with a white frame. To the right of the window, a portion of a framed picture is visible on a light-colored wall. The foreground is dominated by dark, out-of-focus shapes.

19. *Leucosia* sp. (Diptera: Syrphidae) from the *Leucosia* sp. complex. The species was collected from the same habitat as the *Leucosia* sp. complex, but it was not associated with the complex. It was collected from the same area as the *Leucosia* sp. complex, but it was not associated with the complex.

A close-up photograph of a person's face, focusing on their eye and hair. The person has blue eyes and dark hair. A small yellow and red hair clip is visible in their hair. The background is plain and light-colored.
